Why Taalinstiut De Wester?

1. We specialise in business language training

It's our mission to help you feel confident speaking your second language at work. We immerse ourselves in the best practices of business language training to give you the best learning experience possible.

2. Teachers with real world experience

Our teachers are not just educators with a passion for language. They also have experience in international business. They use their cultural insight to guide you through international work situations.

3. Custom training solutions

We work with you to create a learning plan that meets your needs and goals. We take into account your level, industry, function, and educational background to make the course relevant for you.

DUTCH LANGUAGE COURSES

WELCOME TO THE NETHERLANDS -BEGINNERS DUTCH 20 LESSONS OF 90 MINUTES

This course is designed to get you speaking and understanding basic Dutch. You'll be able to do daily tasks like ordering food in a restaurant, explain symptoms to the doctor, write an email, and fill in a form. We'll focus on basic sentence structure and vocabulary as well as speaking, listening, and reading comprehension. If you intend to take the integration exam (inburgeringexamen) we can also help you prepare for it by using real past exams.

DUTCH FOR WORK AND LIFE - INTERMEDIATE DUTCH 20 LESSONS OF 90 MINUTES

You've been living in the Netherlands for a while and you understand the basics. But you want to be able to talk to your Dutch colleagues at work or watch the Dutch news without subtitles. This course is designed to help you speak about and understand more complex subjects: talking about your job, expressing opinions on social issues, or writing a report. Depending on your needs, this course can be tailored to include modules on Dutch for the workplace. If you intend to take the language fluency exam (Staatsexamen NT2) we can help you prepare for it as well.

ADVANCED DUTCH FOR THE WORKPLACE 10 TO 20 LESSONS OF 90 MINUTES

Do you recognize yourself in this situation?: You understand what everyone around you is saying, but you trip over your words when expressing yourself? You're not sure of the word order in a sentence. And when you ask your Dutch partner or friends to explain a grammar topic, they have no idea. Our experienced Dutch teachers have the answers! This course focuses on language production: speaking and writing. During the course, you will work on making your Dutch more fluent, nuanced, and accurate.
